

All Bulgaria Virtual Guide

MOST INFORMATIVE BULGARIA SITE

The Google search engine has now indexed more than 1,100 web pages of ABVG as entry points for the web site. As the owner and creator of **All Bulgaria Virtual Guide**, I constantly add and update more web pages on a daily basis. These new pages are quickly discovered by the search engines because I also maintain a constantly updated "site map" listing of all major pages on ABVG. New lesser pages are linked beneath the major ones via text links. The Search engine "robots" hungrily discover these links and within a matter of hours, our new lesser pages are added by the search engines.

Text link advertising cannot be updated quickly enough, so to meet the requirements I have added new **Site Optimized Links** to our advertising portfolio. These **SOL's** are small (88x33) pixel colored images that link to advertiser's web sites near the bottom of every page on ABVG.

Your SOL will appear on all 1100 pages for \$502 per year, \$275 for 6 months, \$150 for 3 months. As always, payment can easily be made through my PayPal account.
